# Incredible Years®

*Incredible Years® is a parenting program designed to support parents help their children ages 6-12 years grow and learn.*

## FOR PARENTS WITH CHILDREN AGES 6-12 YEARS OLD...

Strengthen the parent-child interactions and attachment, reduce harsh discipline, and foster parent's ability to promote children's social and emotional development. It supports parents to set up routines, enforce rules, and learn positive discipline strategies to handle misbehavior. The program prepares and supports children's journey through school with both educational and social skills.
