Agency Highlights

- Our Giving Tuesday campaign surpassed the \$5,600 goal & raised over \$11,000 to provide activities for the 56 youth in our Friends of the Children-Charlotte program. Watch this video [here](#).

- Our sixth podcast episode was released. Hear more about High-Fidelity Wraparound & check it out [here](#).

- Meet Tristan, a client in our Family Centered Treatment program. He recently participated in one of our Client Testimonial videos - click [here](#) to watch his video.

All Children HEALTHY, All Families THRIVING, All Communities STRONG!

December 2023

FRIENDS OF THE CHILDREN - CHARLOTTE HIGHLIGHTS

100%

PARENT SATISFACTION

100%

YOUTH SATISFACTION

92%

OF FAMILIES AGREE WITH
'MY CHILD'S FRIEND HAS HELPED
MY CHILD WITH SCHOOL'

Family Stability

- Family Education achieved 99% client satisfaction.
- Family Partners achieved 100% client satisfaction.
- 100% of caregivers and 97% of youth expressed satisfaction with our Thompson Placement Stability Unit (TPSU) program, and 100% avoided a placement disruption as a result of their behavior.
- 100% of Foster Care parents expressed satisfaction and 78% of Foster Care youth achieved mental health gains.
- School-Based Case Management continue to excel with 100% in both client satisfaction and self-sufficiency gains.

Foster Care East staff and families were treated to a Christmas party in Wilmington by LifePoint Church.

Renewal by Anderson of Charlotte supports foster youth with a \$25,000 matching donation. Carolina Panther Frankie Luvu volunteered to support.

Mental Health

- 83% of families in Family Centered Therapy (FCT) achieved mental health gains.
- 100% of Multisystemic Therapy (MST) youth in our Upstate region were living at home, attending school and avoided criminal involvement at the close of treatment.
- School-Based Mental Health clients achieved 100% client satisfaction and 100% mental health gains.
- 89% of Intensive In-Home (IIH) families reported getting better at handling daily life and related challenges and 100% experienced mental health gains.
- 93% of Wraparound youth have avoided discharge to a higher level of care this FYTD.
- 100% of youth in our eRTC program experienced mental health gains and 100% were successfully discharged to their home community or a lower level of care.
- 95% of stakeholders and 94% of youth in our Crisis Stabilization program reported being satisfied with the service.

All Children **HEALTHY**, All Families **THRIVING**, All Communities **STRONG!**
